Cleaning tips

For a Quick Clean:

Simply wipe down with soap and water.

For a Deep Clean:

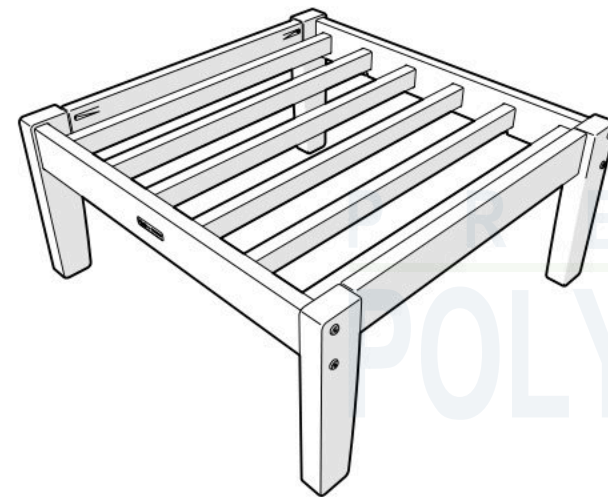

Wipe on $\frac{1}{3}$ bleach and $\frac{2}{3}$ water solution with a clean cloth and let it sit on the lumber for a few minutes (this will not affect the color). Then, loosen any dirt and debris that may catch in surface grooves with a soft bristle brush; hose down to rinse.

For a High-Power Clean:

Use a pressure power washer (not exceeding 1,500 psi) to spray off dirt and debris. Apply a $\frac{1}{3}$ bleach and $\frac{2}{3}$ water solution and scrub with a soft bristle brush. Hose down to rinse.

To ensure longevity of your patio set each seat cushion is made with high density foam. With initial use the seat cushions may feel firm, but with continued use the cushions will continue to soften and provide the ultimate comfort for seasons to come.
